

Range : **THETIS**

Model : 320

Finish : Black or White High Gloss

The Thetis subwoofer is the right partner for your Hifi or home theater system. It features a clean and elegant design with impressive sound performance. The perfect blend of performance and compact design Thetis will improve your system with a better reproduction of the low frequencies.

The Thetis 320 subwoofer has a closed cabinet, equipped with an 10" driver with half roll suspension. In order to reduce vibrations, the cabinet has been carefully designed with ingeniously placed internal reinforcements.

Equipped with a class D amplifier of 250-watt RMS and 400 watt peak power, Thetis 320 produces an amazing sound for such a small enclosure. It also features a remote control and a sound level indicator on the front panel so you can adjust the subwoofer perfectly.
